

Hello ETT Stewards and Kindergarten Teachers!

Within the last year, the Ford Government has made it clear that they are talking within their party about the Kindergarten Model. From various sources we have heard cost saving suggestions such as removing the OCT from the classroom and taking away caps on class size. This will result in job losses, not to mention detrimental changes to program delivery.

This must be stopped.

Enclosed you will find 2 petitions:

***White Petition:*** for parents, guardians and community members. Please have your colleagues to commit to minimum 1 page of parent/community signatures.

***Ivory Petition:*** for teachers. Please ask each colleague to sign in support.

Remember!!!!!! We are all teachers and community members, you can sign both!

**Day of Action:** December 9, 2019

Please use the ETFO Pamphlet as a resource for speaking notes and to hand out.

Please return all petitions to ETT **no later than December 13, 2019.**

ETT Office  
4211 Yonge St, Ste 300
