

**Lisa Raponi CFP®, RRC Certified Financial Planner professional
Educators Financial Group**

Biography: I have been a Certified Financial Planner for over 20 years with extensive knowledge on financial planning areas such as investment planning, retirement planning and estate planning. I have been working with members of the education community for over 10 years so understand your financial environment when it comes to pay grids, deferred salary leaves and your pensions.

Workshop title: *ETT Financial Planning 101*

Workshop description: The focus will be on financial planning and will encompass financial literacy on cashflow planning, investment planning and retirement planning. It will also touch a little on debt management.
