JULIUS

WORKSHOP FACILITATOR

Navigating Your Teacher Performance Appraisal (TPA)

This workshop supports members with an in-depth view of the Teacher Performance Appraisal process. It provides a union perspective on TPA requirements to ensure a positive TPA experience. It also includes strategies for effective documentation that protect a member's options should the TPA not be successful. If you are currently due for a TPA, or anticipation of one in the coming year, we highly recommend this workshop!
