**We Make The Future:
Fighting for the Schools Our Students Deserve**

PARSA KHANDAKER

WORKSHOP FACILITATOR

Foundational Literacy With A Trauma Informed Lens

This workshop focuses on foundational literacy and how we attain authentic assessment data using a trauma informed lens that reflect a more accurate representation of abilities. We will delve into the effects of trauma and learning, what it may look like in your learning environment, and how to program with a healing centre of engagement.

ABOUT PARSA

Parsa Khandaker is a centrally assigned teacher working with Educational Community Partnership Programs at SickKids Hospital. Prior to this she has had extensive experience working in the Lawrence Heights community, gaining rich insight with the experiences of students living in inner city neighborhoods. Currently, she is the Literacy Chair with ECPP and works with teachers collaboratively to create literacy programs that foster self-efficacy and are grounded in culturally relevant pedagogy.
