

Federation Day 2023

**We Make The Future:
Fighting for the Schools Our Students Deserve**

GEORGE JANETEAS

WORKSHOP FACILITATOR

Unpacking Learning Experiences in the Revised Language Curriculum

In this session, we will explore and unpack a variety of learning experiences connected to the revised Language Curriculum. We will discuss and plan how classroom-ready resources such as sample learning goals, success criteria can be used to design opportunities for your own students. A key goal of this session is to further conversations on how students can develop language and literacy knowledge and skills and to experience joy and possibility during their literacy learning.
