

Federation Day 2023

We Make The Future:
Fighting for the Schools Our Students Deserve

YARA GALVEZ-POZO

WORKSHOP FACILITATOR

Art as Healing

This workshop will briefly dive into techniques of Lino printmaking, which can be used to tell stories, express one's identity, emotions and other aspects of self and community. We will be designing our own illustrations, transferring them onto a lino block, carving the illustration and then printing them onto fabrics, papers, and recycled materials.

In-Person Session at Federation Day 2023
Afternoon Program, Beanfield Centre
Friday, December 8, 2023
