

# Federation Day 2023

**We Make The Future:  
Fighting for the Schools Our Students Deserve**

## **NADIA HOHN**

**WORKSHOP FACILITATOR**

### **The Nuts and Bolts of Teaching Antiracist Books**

#### **ABOUT NADIA**

Nadia L. Hohn is an educator but also an author of books for young people. Through her stories, she teaches children about antiracism, immigration, migrant farm workers, and other social issues. In this workshop, Nadia will equip you with strategies to use books in the classroom that can engage students, extend the curriculum, open up discussions with your students, and build community.
