

Federation Day 2023

**We Make The Future:
Fighting for the Schools Our Students Deserve**

BAYAN YAMMOUT

WORKSHOP FACILITATOR

**Empowering Students via
Self-Advocacy & Leadership**

In this workshop, participants will be introduced to practical tools that could be implemented in the Primary and Junior levels to build self-advocacy skills. They will explore the process of leadership projects led and run entirely by students from K to 8 with different physical, intellectual, learning, and communication abilities. Participants will leave with practical ideas that empower students, amplify their voice, and boost their self-confidence and self-esteem.

ABOUT BAYAN

Bayan Yammout is a Special Education Teacher currently teaching Leadership & Advocacy at Bloorview School Authority inside Holland Bloorview Kids Rehabilitation Hospital. Bayan has experience teaching students with physical, intellectual, behavioural, and communication needs at congregated sites and in integrated settings. Bayan volunteered at various refugee camps abroad, delivered workshops to educators and ran recreational activities.
